

HARVEST TRUST FUND

The aim of the Harvest Trust Fund is to enable young people who have regularly attended Harvest to take part in long or short term mission work both in this country and beyond.

Each year, a Trust Fund offering is taken at the event in order that young people are able to apply for a contribution towards any funding required in order for them to take part in mission.

The Harvest Trust fund is administrated by the Harvest Management Group and any donations are at the group's discretion.

HOW TO APPLY

Applications are in the form of a letter/email addressed to the Harvest Management Group. The letter/email should describe the nature and duration of the mission work, along with the name of any organisation that the mission is associated with. Please also include how much funding in total is required and how you intend to raise this amount. We also need to know when you have attended Harvest and also who to make the cheque payable to if you are successful. Please ensure that you include your up to date contact details, including an email address.

GUIDELINES FOR APPLICANTS

For an application to be successful, all of the following criteria must be met:

1. The applicant must be committed to a local church and have fully consulted their church, or youth, leader about the proposed mission.
2. The applicant must have regularly attended Harvest.
3. The applicant must demonstrate how other funding is being achieved for the project.

TIMESCALES

Applications will be discussed by the Harvest Management Group twice a year – in October and May. All applications need to be sent in by 1st October or 1st May for consideration at the next meeting. Each application will be discussed and half of the money given to the Trust Fund during the offering at Harvest will be split between the successful applicants at both meetings.

Please send your application to the following address or email:
